Errata for “Selection of tuning parameters in bridge regression models via Bayesian information criterion”

by Shuichi Kawano

In the paper “Selection of tuning parameters in bridge regression models via Bayesian information criterion” which is published in Vol. 55 of “Statistical Papers” (2014; pp. 1207–1223), Table 4 is incorrect. The table should be replaced as follows:

<table>
<thead>
<tr>
<th></th>
<th>GBIC</th>
